UPWARD BOUND

NOVEMBER 2022

NEWSLETTER

Welcome to another month with Upward Bound !

As the Thanksgiving Holiday approaches, we all wish to gather with family and friends for good laughs and food. November reminder for our seniors, this is a pivotal time of year for high school seniors. It's the month when early admission applications are due. We ask that you continue to pay attention to upcoming deadlines for each college you are planning to apply. Please be reminded that all students must complete a mandatory two hours of tutoring every week. Online tutorials will be held on Tuesday and Thursday from 3 pm until 6 pm. The overall goal of Upward Bound is to increase the rate at which participants complete secondary education and then enroll and graduate from institutions of postsecondary education. So, our goal each year is to increase student engagement and participation. With the support of our school and community partners, teachers, tutors, and parents, we will continue to have a successful Upward Bound year! We encourage you to review the 2020 Upward Bound Calendar for academic sessions, college tours, cultural activities, and more. Continue to operate and grow in a spirit of love. Happy Holiday from the Upward Bound family to all our families!
