GREETINGS FROM UB

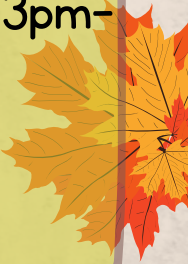

Greetings Upward Bound parents and students. As we have reached the halfway point of the first semester, we at Upward Bound hope that all of our students are succeeding in all of their classes. With the second quarter starting, Upward Bound staff hope that students have identified challenge areas and are taking advantage of all of the resources that we have to offer.

Students if you have any class that you have a C or lower in don't wait until the end of the quarter, start asking for help now. if the first quarter did not go as planned, take the chance to turn everything around during the second half of the first semester.

COLLEGE CHECK LIST

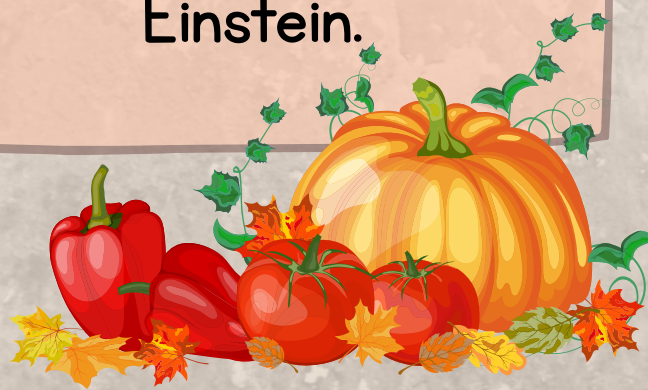

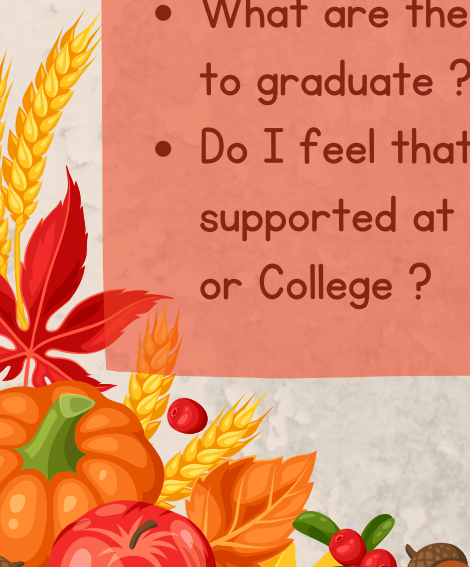

What are the questions you should be asking when looking into a college to attend:

- Where is the university located ?
- How much is it to attend ?
- Do they have a major that interest me ?
- Do I like the student culture of the campus ?
- Do they offer any scholarships or financial assistance ?
- What is it like living on campus ?
- What are the requirements to graduate ?
- Do I feel that I would be supported at this University or College ?

MOTIVATION CORNER

"The value of a college education is not the learning of many facts but the training of the mind to think," - Albert Einstein.
