DECEMBER 2025

GREETINGS FROM UB

Greetings Upward Bound parents and students. We have made it to the end of another year. We are very proud of all of the hard work that our students have put in for the first half of the school year. As the second quarter is drawing to a close, we want encourage all of our students to remain positive and diligent in their work and studies. We know that there are many challenges that the students may face during the school year, but we also know our students can overcome anything if they apply themselves.

Remember to take a breath and do not allow yourself to become overly stressed by the demands of being a student. You all have a support system in Upward Bound and we are dedicated to do everything that we can to see our students be successful, not only in their school work, but in life as well.
